Sir:

In reply to the Interview Summary (Form PTOL-413) mailed by the U.S. Patent & Trademark Office (USPTO) on November 2, 2009, Applicants submit herewith the following Statement of Substance of the Interview held with Examiner Jennifer N. To on October 28, 2009, regarding the above captioned application in accordance with 37 C.F.R. § 1.133(b) and M.P.E.P. § 713.04.

A summary of the interview follows:

Applicants will file a Supplemental Application Data sheet to supply the USPTO with the inventor Don Van Dyke's address. The Supplemental Application Data sheet will also include information for all of other inventors named in the application.

Applicants' representative spoke with Ms. Charlema Grant from the Office of Petitions on 10 December 2009. Ms. Grant indicated that a signed Supplemental Application Data sheet could be used to provide address information for inventor Don Van Dyke, missing from the originally filed Declaration (Oath). The originally filed Declaration was signed by all of the inventors and was otherwise complete except for the absence of Mr. Van Dyke's address. Ms. Grant further indicated that if the only error with the originally filed Declaration was the absence of Mr. Van Dyke's address, as was the case in the present application, that a Supplemental Application Data sheet will resolve this error.

Applicants and the Examiner, therefore, have agreed to follow Ms. Grant's instructions, noted above, to correct the error on the Declaration.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
